Springfield, Illinois – Mayor Jim Langfelder, together with the city Aldermen and Alderwomen, announced today the complete schedule for the 2021 Ward Planning Meetings. Due to COVID-19, these sessions did not occur in 2020. As in previous years, an outside facilitator will lead each discussion to gather information from attendees about neighborhood and city needs from the resident’s perspective. With the announcement that cities across the U.S., including Springfield, will be receiving American Rescue Plan funding, these discussions will be used to gather feedback on projects for each Ward along with the City overall. City department representatives will also be present at all of the meetings.

The forums start Wednesday, June 2 and go through Wednesday, June 16. Residents are invited to attend any of the forums. The complete schedule is below. Questions about the Ward Meetings can be directed to the Mayor’s Office at 217.789.2200.

The City recommends anyone who is attending to wear a facemask; however, per CDC guidance, it is not required for anyone who is fully vaccinated against COVID-19.
