

**CITY WATER LIGHT & POWER  
CITY OF SPRINGFIELD, ILLINOIS**

**Douglas A. Brown  
Chief Utility Engineer**

UPDATE: The parking garage at Mason Street is the only St. John's facility affected on this outage. The parking garage is on the backup generator and service is not affected.

Springfield, Illinois - City Water, Light and Power crews responding to a power outage affecting HSH St. John's Hospital, which is on its backup generator for service. The stoplights in the area around the hospital are also affected. Dispatch and crews are working to isolate the trouble to get power re-routed and back to the area by 3:45 p.m. Final repairs may take longer this evening once the exact cause is identified.

Customers can view and track their electric service status from the outage map, available from the Outage Center link at CWLP.com at <https://outagemap.cwlp.com/>. More information and updates on outage status will be posted as available on the CWLP Facebook and Twitter pages, [www.facebook.com/4CWLP](http://www.facebook.com/4CWLP), [www.twitter.com/CWLP](http://www.twitter.com/CWLP). Customers can also call our 24-hour Dispatch at 789-2121 if they have other electric trouble to report.
