

**OFFICE OF PUBLIC WORKS
CITY OF SPRINGFIELD, ILLINOIS**

**Mark Mahoney
Director**

Springfield, Illinois - The City of Springfield will hold an informational meeting concerning the proposed **Downtown Traffic Signal Modernization and Operational Modifications project**. The project includes improvements to **4th Street from Dodge Street to South Grand Avenue; 7th Street from North Grand Avenue to South Grand Avenue; and Adams Street from 6th Street to 9th Street.**

January 30, 2019

5:00 p.m. to 7:00 p.m.

Lincoln Library

326 S. 7th Street

Carnegie Room North

Springfield, Illinois

There will be no formal presentation. Displays, including typical sections of roadways, paint pavement marking plans, and aerial mapping will be available for viewing during the entire time of the meeting. Representatives from the City of Springfield Office of Public Works and Knight Engineers and Architects will be available to answer questions and discuss the plan. Those who attend will be encouraged to complete a comment form or provide a verbal comment.

Free parking is available at metered spots around Lincoln Library after 5:00 p.m. Attendees may also park at the 7th and Monroe Street parking garage and have their ticket validated for free parking at the meeting. All persons interested in this project are invited to attend anytime between 5:00 p.m. and 7:00 p.m. The hearing room is accessible to persons with disabilities. If special accommodations are required, please contact one of the individuals listed below at least three days prior to the hearing.

For more information about this hearing, please contact Nate Bottom with the City of Springfield Office of Public Works Engineering, 300 South 7th Street, Room 203, Springfield, Illinois 62701; 217.789.2255 ext. 5223 or Jeff Antonacci with Knight Engineers and Architects at 217.615.4215.
