

**OFFICE OF PUBLIC WORKS  
CITY OF SPRINGFIELD, ILLINOIS**

**Mark Mahoney  
Director**

Springfield, Illinois - The City of Springfield will hold an informational meeting concerning the proposed Walnut Street Safety Improvement project for **Walnut Street from South Grand Avenue to Capitol Avenue.**

**February 7, 2019**

**5:00 p.m. to 7:00 p.m.**

**Laurel United Methodist Church**

**631 S. Grand Ave W**

**Springfield, Illinois**

There will be no formal presentation. Displays, including typical sections of roadways, paint pavement marking plans, and aerial mapping will be available for viewing during the entire time. Representatives from the City of Springfield Office of Public Works and Knight Engineers and Architects will be available to answer questions and discuss the plan. Those who attend will be encouraged to complete a comment form or provide a verbal comment.

Parking is available in the parking lot on the east side of Laurel United Methodist Church or along Walnut Street. All persons interested in this project are invited to attend anytime between 5:00 p.m. and 7:00 p.m. The hearing room is accessible to persons with disabilities. If special accommodations are required, please contact one of the individuals listed below at least three days prior to the hearing.

For more information about this hearing, please contact Nate Bottom with the City of Springfield Office of Public Works Engineering, 300 South 7th Street, Room 203, Springfield, IL 62701; 217.789.2255 ext. 5223 or Jeff Antonacci with Knight Engineers and Architects at 217.615.4215.
