Springfield, Illinois – On February 23, 2020, at approximately 12:49 a.m., a concerned citizen notified the Springfield Police Department (SPD) there was a male inside the first floor Municipal Center East (800 E. Monroe) men’s public restroom who was not responding. SPD officers immediately responded to the scene and discovered a male inside of a locked restroom stall who was unresponsive. Entry to the stall was forced and SPD officers began to assist the male who had apparently asphyxiated himself and was deceased. Springfield Fire Department personnel arrived shortly after and confirmed that the male was deceased. There are no signs of foul play and the Sangamon County Coroner’s Office responded.

The identity of the victim will be released by the Coroner’s Office. There are no other details at this time.
