NARRATIVE

On September 05, 2024, approximately at 2122 hours Ofc. Sholtis (885) and I, (Ofc. Singletary 840) were riding as a two-man unit responded to Anchor Boat Club (407 East Lake Shore Dr.) in reference to an accident with injuries.

Upon arrival, I saw SFD (E02/T02) providing medical aid to two unconscious subjects later identified as [REDACTED] [REDACTED] (Driver) and [REDACTED] [REDACTED] (Passenger). These two were operating a 2004 Kawasaki motorcycle (IL: [REDACTED]). I saw Ofc. Yanor (862) speaking to another subject involved in the accident later identified as retired Sgt. Michael Egan (541). I went to the motorcycle and saw it was lying on its left side facing westbound toward the Anchor Boat Club in the eastbound traffic lane. The motorcycle still had its motor on and was leaking fluids from the engine bay. SFD placed the motorcycle onto its kickstand and turned off the engine to prevent a possible fire/explosion from occurring.

I then began asking bystanders who witnessed the accident and was flagged by [REDACTED] [REDACTED]. He explained that he saw the couple riding the motorcycle passing him while riding east on East Lake Shore Dr. [REDACTED] was currently operating his motorcycle and began to drive behind them. He advised although they passed him they weren't driving at a high rate of speed. While approaching the Anchor Boat Club, [REDACTED] saw Egan turn in front of the couple initiating the accident. [REDACTED] immediately got off his motorcycle and saw both [REDACTED] and [REDACTED] lying on the ground. [REDACTED] appeared to be alert however, [REDACTED] was unconscious. [REDACTED] advised he saw blood coming from [REDACTED]'s person and took his shirt off to contain the bleeding. However, he refrained from getting close to [REDACTED] because he was unsure. [REDACTED] believed Egan to be under the influence of alcohol.

Ofc. Yanor later approached me and advised that Egan advised he was traveling north on East Lake Shore Dr. and said he saw motorcycle lights just behind a sign on the east side of the road. Egan then turned left onto Anchor Boat Club property and was struck by the motorcycle.

NARRATIVE (continuation)

Moments later, America Ambulance 3F12 and 3F10 arrived on scene. America Ambulance 3F10 took custody of [REDACTED] and transported her to St. John's Hospital and Ofc. Sholtis rode with them. America Ambulance 3F12 took custody of [REDACTED] and transported him to St. John's Hospital and Ofc.

I then spoke to [REDACTED] [REDACTED] who advised he was traveling behind [REDACTED] and [REDACTED] on East Lake Shore Dr. and saw [REDACTED] strike the rear of their motorcycle. [REDACTED] was unaware of Egan's vehicle being involved until he exited his vehicle. He explained he was unsure how Egan's vehicle was struck and saw [REDACTED] and [REDACTED] lying on their backs on the ground.

I then spoke to Egan who advised he was traveling north on East Lake Shore Dr. approaching Anchor Boat Club. Egan got in the turn lane and saw the motorcycles straight ahead of him behind a sign just north down the road. Egan believed he had enough time/space to turn and began to turn left onto the property. While turning, he felt his vehicle being struck from the rear. While speaking with Egan I noticed that he kept placing his hand on the vehicle to gain his balance. I was unable to notice an odor consistent with alcoholic beverages on his person. I then canvassed Egan's vehicle which showed signs of damage on the rear passenger side. The passenger-side airbags were deployed. The vehicle was a gray Toyota 4Runner ([REDACTED]).

ISP later arrived on scene advising they were going to be primary over the investigation. All information that was provided was handed over to ISP. I remained on scene conducting traffic control at East Lake Shore Dr. and Rochester Rd until I was advised by ISP my services were no longer needed.

End of report.

Several individuals on scene directed me to the other individual involved a later identified Michael Egan. I observed Michael next to his Gray 2018 Toyota 4Runner IL reg: [REDACTED] There was damage to the passenger side rear quarter panel and window. The right side airbags of the vehicle appeared to be deployed.

I received a basic description of what occurred. Michael stated he was traveling in the 400 block of E. Last Shore Dr. he went to turn into the Anchor Boat Club located at 405 E. NARRATIVE

On 09-05-2024 at approximately 2121 hours I, Ofc. E. Wheeler #878, was dispatched to an accident with injuries located at 407 East Lake Shore Dr.

Upon arrival I observed a motorcycle in the roadway, and a male and female laying in the roadway receiving medical treatment.

The female patient was transported to St. John's hospital with life threatening injuries in America ambulance 3F10. The male patient was transported to St. John's hospital in America ambulance 3F12.

I spoke with [REDACTED] ([REDACTED] /M [REDACTED] who advised he observed the operator of the motorcycle involved in the accident traveling south bound on East Lake Shore from Adlai Stevenson Dr. just north of the dam. He began traveling behind the motorcyclist south bound on East Lake Shore Dr. when he observed a vehicle traveling north bound on East Lake Shore in the north bound lane. The vehicle proceeded to make a left hand turn into the Anchor Boat Club located at 407 East Lake Shore Dr. from the north bound lane without using a turn signal causing the motorcyclist to strike the passenger side of the vehicle.

[REDACTED] ([REDACTED] /M [REDACTED] was walking his dog south bound in the 300 Block of East Lake Shore Dr. on the bike trail located on the west side of the road when he observed [REDACTED] and the other motorcyclist traveling south bound on East Lake Shore Dr. He believed the motorcyclists were traveling at a normal speed and appeared very close together in a staggered formation. As he continued walking south bound on the trail he observed the accident and proceeded to walk towards it to assist.

Prior to clearing the call Illinois State Police advised the female patient's status was still life threatening. She had been placed in the ICU. The male patient was conscious and alert, however, he did not have any recollection of the accident.
