Large Item Pick Up Program

Item Checklist

Where to take restricted items

- Metal Recycling
 - **Automotive parts**
 - Cannot go to Landfill
 - Check with salvage yards for recycling and selling
 - **Central A/C, portable heaters, furnaces**
 - Cannot go to Landfill due to Freon
 - Take all items to Metal Salvage yard
- **Construction Debris**- Habitat for Humanity Re-Store takes a lot of building/remodeling materials; however, call before drop off donation. If unwanted, contact landfill and/or waste hauler for final disposal.
- **Hazardous materials** should be taken to annual Household Hazardous Waste event.
- **Hot tubs** (accepted at landfill for drop-off)
- **Landscaping items**
 - Gumballs, plants, plaster and concrete can be taken at Landfill
 - Big trees, leaves, branches, grass clipping, other wood materials cannot go to Landfill but taken at Evan's Recycling
- **Musical Instruments** – check with donating to second hand, organizations (e.g., churches, schools, etc.). Contact landfill and/or waste hauler for final disposal.
- **Railroad ties**
 - Federal property
 - Soaked in **creosote** (landfill can take a couple but if truckload must get approval before coming in)
 - Call Landfill prior to taking for approval
 - # to call for complete breakdown - Norfolk Southern Police 1.800.453.2530
- **Tires**- take back programs at Tire retail locations (average cost = \$2-\$5/per tire – depending on size)
- **TV Monitors/Electronics**- drop off city program (can currently take to BLH and/or F&W Resources)
