## 2019 Ward Planning Meetings

### Ward 1

#### CONCERNS AND COMPLIMENTS

|   |
|---|
| Zoning Boards doesn't have all the wards represented  |
| Compliment - Thank Alderman Redpath. Very responsive. Fixes things promptly.  |
| Neighborhood News - works well to get info out  |
| Compliment - Thank Alderman Redpath. Notifies people when things are coming up that may impact their areas  |
| Thank the crews who are pulling out the underbrush in the woods   |
| Road was never paved in 21 years. Repaved road finally and it was much needed and Alderman & Mayor helped get it done.  |
| Possible solution - Deer. Can DNR help with this issue and help in a solution?<br>There are potential ways and resident would like to share.  |
| November 1 - Winter Warming Center? What is happening with it?  |
| Any regulations about lights that shines up at trees at night.  |
| Is it true the City will go to only one waste hauler for trash pickup   |
| What is the policy for ICE - SPD and Sangamon County Police involvement?  |
| Thank Alderman Redpath for getting answers and and responsiveness. More open communication is always a goal but things are working and hopefully towards a search engine of questions/ideas |
| Some modifications around lake with byous - is there any plans to light up bridge at night or other efforts to improve visibility. Lake Safety plan?  |
| Center for Health & Housing debate: did the stakeholders come to the table like what was stated.  |
| Deer whistles - they are a useful tool. Can we have more residents use them on their vehicles?  |
| Is the Hunter Lake issue dead?  |
| Is UIS coming downtown?   |
| Concerns of fly Ash pits? What is being done or steps taking?   |
| What is update of Hilltop Road bike trail?  |
| Criteria for property taxes assessments and why did that go up?   |
| Compliment Valerie - take on the job of the neighborhood association for Lake Shore improvements  |
| Someone from CWLP needs to join Springfield Lake Shore Improvement Association. Possibly Dan Brill  |
