

**WARDS 2 and 3 RESIDENT PRIORITIES
2019**

GROUP 1	GROUP 2	GROUP 3
Ash Street - Expand TIF to include this area.	Community Center everyone can use	Infrastructure
Lighting on the Eastside (better and more. Use LED)	TIF Policy Update: Don't force home owners to have to match. It is tough for people.	Economic Development: more jobs, better jobs, access to assistance and achievement.
	Senior Center	
Pillsbury - Needs to be handled.	CWLP - before any changes, whole city needs to be involved in decision, possibly by referendum	Cornel - 18th to 9th Street. Better sidewalks and infrastructure. Drainage and safety
Pillsbury - if another factory comes to Springfield and wants to develop, make an ordinance about cleanup		
Pillsbury - long-term solution	Fly dumping	CWLP/Power situation and Lighting
Affordable Housing on Eastside	Holding landlords accountable for properties	Employment opportunities on Eastside/employment training
Afterschool Center, Senior Center and Community Center		
Employment Training	Holding landlords accountable	
Homeless - Finding a solution a priority		
South Grand strip - needs to be beautified	Railroad safety including arms added to all tracks on eastside	Sewer repairs on east side and throughout city. Drainage issues need to be fixed.
More diversity in city staff at a higher level		
Commercial economic development - needed because residential is short-term		

**2019 Ward Planning Meetings
Ward 2 and 3**

CONCERNS AND COMPLIMENTS	
Salvation Center - what is going on there?	Need to share what is going on that.
Finding a homeless center	
Capital City Shopping - what is going on?	Need to repair backside
Ash Street Underpass - kudos	
South Grand and Cook Street Underpass should be repaired	
Moving a bus stop on corner of Cook & Livingston	
Development on Poplar Place Update?	
Quality of life improvements on Eastside - sidewalks, bike lanes,	
Bus stops - East side covered bus stops. Some do and some don't	
Central 11th Street bus stop - what is the status	
South Grand was supposed to be redone and it hasn't happened?	
Adult education - male student who are single. What are male parent resources	
Sewer odors - what can be done? Ohio Street on North side of town	
Thank you for removing traffic lights on Spruce and also on Laurel and Spring	
Traffic Engineer - who is it	
Senior Service Center - Fire Department Thank You for carbon monoxide installations	
Concerns about South Grand - when Wirt and McCreery are shut down/off. How is traffic re-routed	
Thank you Alderwoman Turner for attending meetings	
Thank police for coming out to meetings	
Thank Public Works on sidewalk on Cook Street and Eastdale	
Gas sewer odor - 500 block of N. 13th Street	
Nate Bottom - overlay program on asphalt and that they do approaches
