SECTION 1.

The Employer shall continue to deduct Union dues and transmit the same to the Local in the same manner as has been the practice of the parties. In the event that an employee covered by the terms of this Agreement shall not voluntarily sign a check-off authorization or in the event that an Employee who has previously signed an authorization objects to a specific deduction or assessment, the Employer shall make an involuntary check-off in the amount previously certified providing the Union specifies the method used in calculation of the check-off amount to the Employer by the Secretary of the Union as the fair share amount of collective bargaining costs, which shall not exceed 85 percent of Union dues, and promptly forward such sums to the Union(s) provided such check-off is consistent with current law. SECTION 3.

The Employer shall pay the Union for the amounts withheld from each employee paycheck according to the current practice. A list of employees and the amount deducted from their paycheck shall be supplied to the Union.

ARTICLE III
GRIEVANCE PROCEDURE

SECTION 1.

CWLP agrees to meet with the duly accredited officers of the Local Union and/or its designees as outlined in this Section to resolve differences that may arise between the Employer and the Local Union.

A grievance for purposes of this Agreement shall be defined to mean a complaint or dispute between the parties as to issues relating to wages, hours, terms, conditions of employment, established procedures of the parties, and the meaning, interpretation or application of this Agreement to those issues.

The following steps shall be followed in processing a grievance under this procedure:

Step 1. The steward on a job in case of a grievance shall take the matter up with the immediate supervisor of the Department in which the person is employed within fifteen (15) working days of the time the union and/or the employee concerned became aware of or should have become aware of the occurrence of the event giving rise to the alleged grievance.

Step 2. If the grievance is not resolved satisfactorily within five (5)

working days after submission in Step 1, the grievance shall be submitted in writing within five (5) working days to the Manager of the Department by the Local Union.

Step 3. If the grievance is not resolved satisfactorily within five working (5) days after submission to Step 2, the Local Union shall submit the grievance in writing within five (5) working days to the General Manager or his designee.

Step 4. If the grievance is not resolved satisfactorily at Step 3 within ten (10) working days after submission, then either party may submit the matter to arbitration according to the procedures set forth in Article IV. Such an appeal must be filed within twenty (20) working days after receipt of the decision of the General Manager or within twenty (20) working days after such decision was due.

A grievance which is not processed within the requisite time limits shall be deemed to be accepted according to the Employer's last grievance response. Grievances may be withdrawn at any step of the grievance procedure.

The time limits at any step may be extended by written mutual agreement of the parties.

SECTION 2.

Nothing in this Agreement prevents an employee from presenting a grievance to the Employer and having the grievance heard and settled without the intervention of the Union; provided that the Union shall be afforded the opportunity to be present at such conference and that any settlement made shall not be inconsistent with the terms of the agreement in effect between the Employer and the Union.

1. The Employer must notify the Union of the dates and times of all meetings concerning such grievance.
2. If the Union contends that a settlement of such grievance is inconsistent with the contract or established procedures of the parties, the Union may file a grievance of its own.
3. Only the Union shall have the right to refer grievances to arbitration under the Agreement.

ARTICLE IV
ARBITRATION

SECTION 1. If the representatives of the Employer and of the Local Union are unable to resolve the grievance, then the grievance may be referred to arbitration in accordance with the procedures outlined below.

The parties shall alternately strike the names of three (3) arbitrators, with a coin flip being used to determine who strikes the first name. The person whose name remains shall be the arbitrator, provided that either party, before striking any names, shall have the right to reject one (1) panel of arbitrators. The arbitrator shall be notified of his selection by a joint letter from the employer and the union, requesting that he set a time for the hearing, subject to the availability of the employer and union representatives. Nothing herein shall preclude the parties from meeting at any time after the list of arbitrators has been requested and prior to the convening of the hearing in a further attempt to resolve the

grievance. In any case, work shall proceed under this Agreement.

The arbitrator shall have no power to amend, modify, nullify, ignore, add to or subtract from the provisions of this Agreement. The arbitrator shall decide only the specific issue(s) submitted to him and, if a violation of the terms of this Agreement is found, shall fashion an appropriate remedy. The parties hereto agree that the decision of the arbitrator shall be final and binding on the parties hereto.

SECTION 3.

The fees and expenses for the arbitrator's services, if any shall be borne by the Employer if the arbitrator fully sustains the Union's grievance; by the Union if the arbitrator fully denies the Union's grievance; and divided equally if the arbitrator sustains in part and denies in part. The arbitrator shall specify in his award how his fees and expenses shall be borne. Each party shall be responsible for compensating its own representatives and witnesses, and purchasing its own copy of the written transcript; however, the cost of the arbitrator's copy shall be borne as provided for the fees and expenses of the arbitrator.

If the employee returns to work after a leave exceeding three (3) months and there is no equivalent position, the employee will be laid off in accordance with the procedures found in the Layoff/Recall Article.

An employee who fails to provide a reasonable excuse and notice to the Employer and fails to return to work at the time specified in his request for leave, shall be considered to have abandoned his position and shall be terminated.

An employee may use accumulated vacation or personal days before being placed on an unpaid general leave.

During annual training, the employee shall be paid his regular base salary upon receipt of the entire sum paid by the military unit.

Any employee of the City who shall be called, or enlists in the armed services shall be reinstated to his former position, including all of his seniority rights, provided he is then physically qualified to return to work. It is understood that in case of return of

such employees, other employees will consent to such demotions or any other action necessary for the reemployment of such returned servicemen.

SECTION 3.

Medical Leave. Regular employees who have utilized twenty (20) sick days or have exhausted all sick leave and are unable to report to or back to work because of the start of or continuance of their sickness or injury, including pregnancy related disability, may be granted an unpaid disability leave. This Section in no way affects IMRF eligibility or IMRF benefits. Such leave will not be granted for a period in excess of three (3) months but may be extended upon written request of the employee for an additional period of up to three (3) months, at the Employer's discretion. Additional three (3) month extensions may be granted by the Employer if a physician certifies that the leave is a bonafide medical emergency or illness. The Employer may require an independent medical examination before approving the final leave extension. Prior to requesting said leave, the employee shall inform the Employer in writing about the nature of the disability and length of time needed for leave. The request for said leave shall be accompanied by a written statement from the attending physician which includes the diagnosis, prognosis and expected duration of the disability. If the Employer has reason to believe the employee is able to perform his regular assigned duties and the employee's physician certifies him as being able or unable to report back to work, the Employer may rely upon the decision of an impartial physician of its choosing as to the employee's ability to return to work. Such examination shall be paid for by the Employer. During said leave, the disabled employee shall provide written verification by a licensed physician at the Employer's request. Such verification shall show the diagnosis, prognosis and expected duration of

In order to be eligible for such payment, the employee must submit a certificate of service duly signed by the Court Clerk. However, an employee may elect to fulfill such jury service on accrued vacation or personal leave and retain the full amount received for such jury service. An employee released from jury duty two or more hours from the end of his regularly scheduled shift shall return to work upon said release.

Employees shall be paid their regular rate of pay when they attend court in their official capacity. Employees who receive a subpoena to appear in court as a plaintiff, defendant or witness shall be granted a leave of absence without pay; however, an employee may elect to fulfill such responsibilities on accrued vacation or personal leave.

If an employee requests, he will be assigned the day shift for the duration of his jury duty. Subject to the approval of the supervisor, the employee may voluntarily trade shifts with another qualified employee working the day shift. If unable to trade shifts, an appropriately qualified relief man will be appointed to fill the individual's shift. If no relief man is available, management will assign a qualified employee from the day shift for exchange of shifts using inverse seniority.

SECTION 5.

Pay shall be granted only for employee's regular work days spent in making funeral arrangements, attending the funeral, and traveling to and from the funeral. Employees must notify the Job Steward and Superintendent in charge before leave is taken. Upon returning to work the employee shall sign a statement attesting to the time and place of the funeral he attended and the relationship to him of the deceased.

Employees attending a funeral as specified in the preceding paragraphs on any day which falls on any scheduled benefit time excluding sick time shall not be charged benefit time for that day.

In addition, up to two (2) sick days may be used to supplement a funeral leave provided that any funeral leave shall not exceed five (5) consecutive working days per occurrence. The use of such sick leave in conjunction with funeral leave shall not be taken into consideration for purposes of determining the number of sick days (instances) used per year or eligibility for the sick leave bonus.

SECTION 6.

Union Leave/Business. Any employee of the City who may be elected to or appointed to office in the Local Union that will require him to absent himself from duty to the Employer shall upon leaving that office be reinstated to his former position, including all his seniority rights, providing that he

is then physically qualified to return to work. It is understood that in case of return of such an employee, other employees will consent to such demotions as are necessary to make room for him. Seniority rights shall continue if an employee is elected or appointed to a Union Office in the Local Union.

The Union representatives shall be granted reasonable release time off from duty at the straight time rate to investigate and process grievances.

Local Union representatives shall be allowed time off without pay for legitimate Union business such as Union meetings, State or area wide Union committee meetings, State or International conventions, provided such representatives shall give reasonable notice to their supervisor of such absence and it does not affect the operating needs of the utility. Union representatives shall be allowed reasonable time off without pay for preparation for contract negotiations. Union Representatives shall be allowed time off with pay at the straight time rate during regular working hours for contract negotiating sessions with the employer. A maximum number of one (1) employee will be released from duty with pay at any one time for the purpose of contract negotiations. The employee may utilize any accumulated time (compensatory time, personal, vacation days) in lieu of taking such leave without pay.

Such time off shall not be detrimental in any way to the employee's record, or affect the employee's sick time bonus.

accumulate sick leave at the rate of one (1) work day with 100% pay per month.

It shall be the responsibility of the employee to see that his Supervisor is notified of his illness and his inability to work prior to the start of the work shift. If the employee is absent for one (1) or more days, he shall sign an Ordinary Disability Report certifying to the nature of his illness. One copy of this report is placed on file by his Supervisor, one copy is referred to the Payroll Department, and a third copy is sent to the Business Representative of the Union.

SECTION 3.

Sick leave shall not be considered as a privilege or a vested right which an employee may use at his discretion, but shall be considered as a type of insurance which shall be allowed in case of necessity and actual illness, legal quarantine, or disability of the employee or illness in his immediately family, or to receive dental or medical care.

SECTION 4.

If the employee shall be absent on sick leave for three (3) days or more, he shall furnish a doctor's certificate reflecting the reasons for his absence.
